Animals appearing unhealthy upon arrival may not enter the exhibition grounds. **Animals are not to be unloaded until health requirements are checked.**
3. An Animal Owner or Caretaker's Verification of Veterinarian-Client-Patient Relationship (VCPR) statement for the animals being exhibited must be included on the fair registration form. (A separate VCPR form is no longer required)

1. Exhibitors will be expected to display or parade their animals as directed by the superintendent; to accept the stall assigned without controversy, to keep their animals in an attractive appearance, and to cooperate with the Department in every way that may serve to increase the educational value of the show.
2. Exhibitors of livestock must inform themselves as to when their stock will be judged. Stock must be in the ring promptly on call and failure to comply with the order renders exhibitors liable to be ruled out of competing.
3. An animal may only show in one breed (Section) for all classes entered. No combining of breeds for group classes.
4. Decorations with ribbons or ornaments previously won by animals at shows shall be prohibited until after the awards have been made in their respective classes by the judges.

5. **The exhibitor must furnish feed, hay, straw and BEDDING .**
6. The exhibitors will be expected to keep the space they occupy in a clean and sanitary condition and to remove all their equipment promptly as the Superintendent may direct.
7. Original Registration Papers must be available for all animals entered; and may be checked at the discretion of the judge and/or show management. For show purposes, a breed registration tattoo may be used for identification if the tattoo is legible and the animal is accompanied by the registration certificate; or a breed registration ear tag may also be used if accompanied by the registration certificate.
8. Overfitting of cattle is discouraged. Any artificial means used to change the form or shape of an animal will disqualify it from competition.
9. All animals must be housed in the barn only.
10. **NOTICE: Do not enter animals that you have no intentions on bringing to the fair (ex. For more tack space). This will lead to lost premiums.**
