**FRUITS AND NUTS**

- In selecting apples for exhibition, choose such specimen that would bring in the highest market price. Please select a marketable size and not the largest.
- Plate displays have five specimens as nearly alike as possible.
- The following score is to be used as a basis for the judging of all plate exhibits:
  - Form (natural shape of variety) 10 points
  - Size (medium for variety) 15 points
  - Color 20 points
  - Uniformity 25 points
  - Freedom from blemish 30 points
- Each exhibitor must designate the particular premium for which he is competing in special classes and see that the packages are properly tagged. Single specimens may not be considered or shown in variety classes.
- Premiums will be awarded only when the exhibit complies with the standard, is meritorious, and properly named.
- Products must be made or produced by exhibitor.
