

DEPARTMENT 17-OPEN CLASS FLORAL EXHIBITS

- The use or displaying of artificial flowers is prohibited and no premiums will be paid for artificial exhibits unless specified differently in the class description.
- Plants positively will not be accepted for exhibition unless they have been growing in containers for two months.
- The management will not undertake to return exhibits or be responsible for the return of exhibits. Baskets or containers must be supplied by the exhibitor and will be given every possible care, but the management assumes no responsibility for their safety.
- Flower and plant entries must be more than ordinary standard and quality to be entitled to an award.
- All entries must be grown by exhibitor except in arrangement classes.
- Suggestions: Flowers for both specimen classes and arrangement should be conditioned before exhibiting. Cut the flowers the day before the show, preferably in the late afternoon. Use a sharp knife or pruning shears, place immediately in deep water, put in a cool place overnight. Flowers hardened in this way stay fresh much longer.
- *Each exhibitor may exhibit more than one entry in a class, as long as the second entry is of a different cultivar, color, or type etc.in Department 17 Sections A, B, C and D*
- All products must be made or produced by the exhibitor except in Commercial designated classes.

DEPARTMENT 17-OPEN CLASS FLORAL EXHIBITS-SECTION A-FLOWERING HOUSEPLANTS

- All plant containers must be less than 10 inches in width.
- All plants must have been grown in containers for two months.
